Garage	405
	500

Finished Garden or Basement Level
 Garden Levels are optional on all floor plans

Cypress Ridge reserves the right to alter or discontinue these architectural plans or specifications. Slight variations in specifications do not incur any obligations on the part of the builder. Some features in the models are shown as optional, and therefore have additional costs associated with them. Prices are subject to change without notice. All dimensions and footage calculations are approximate. All phases beyond PHASE ONE are artistic perceptions only and are not to be relied upon for true configuration. Actual designs may vary.
